

# AWS Partner Training

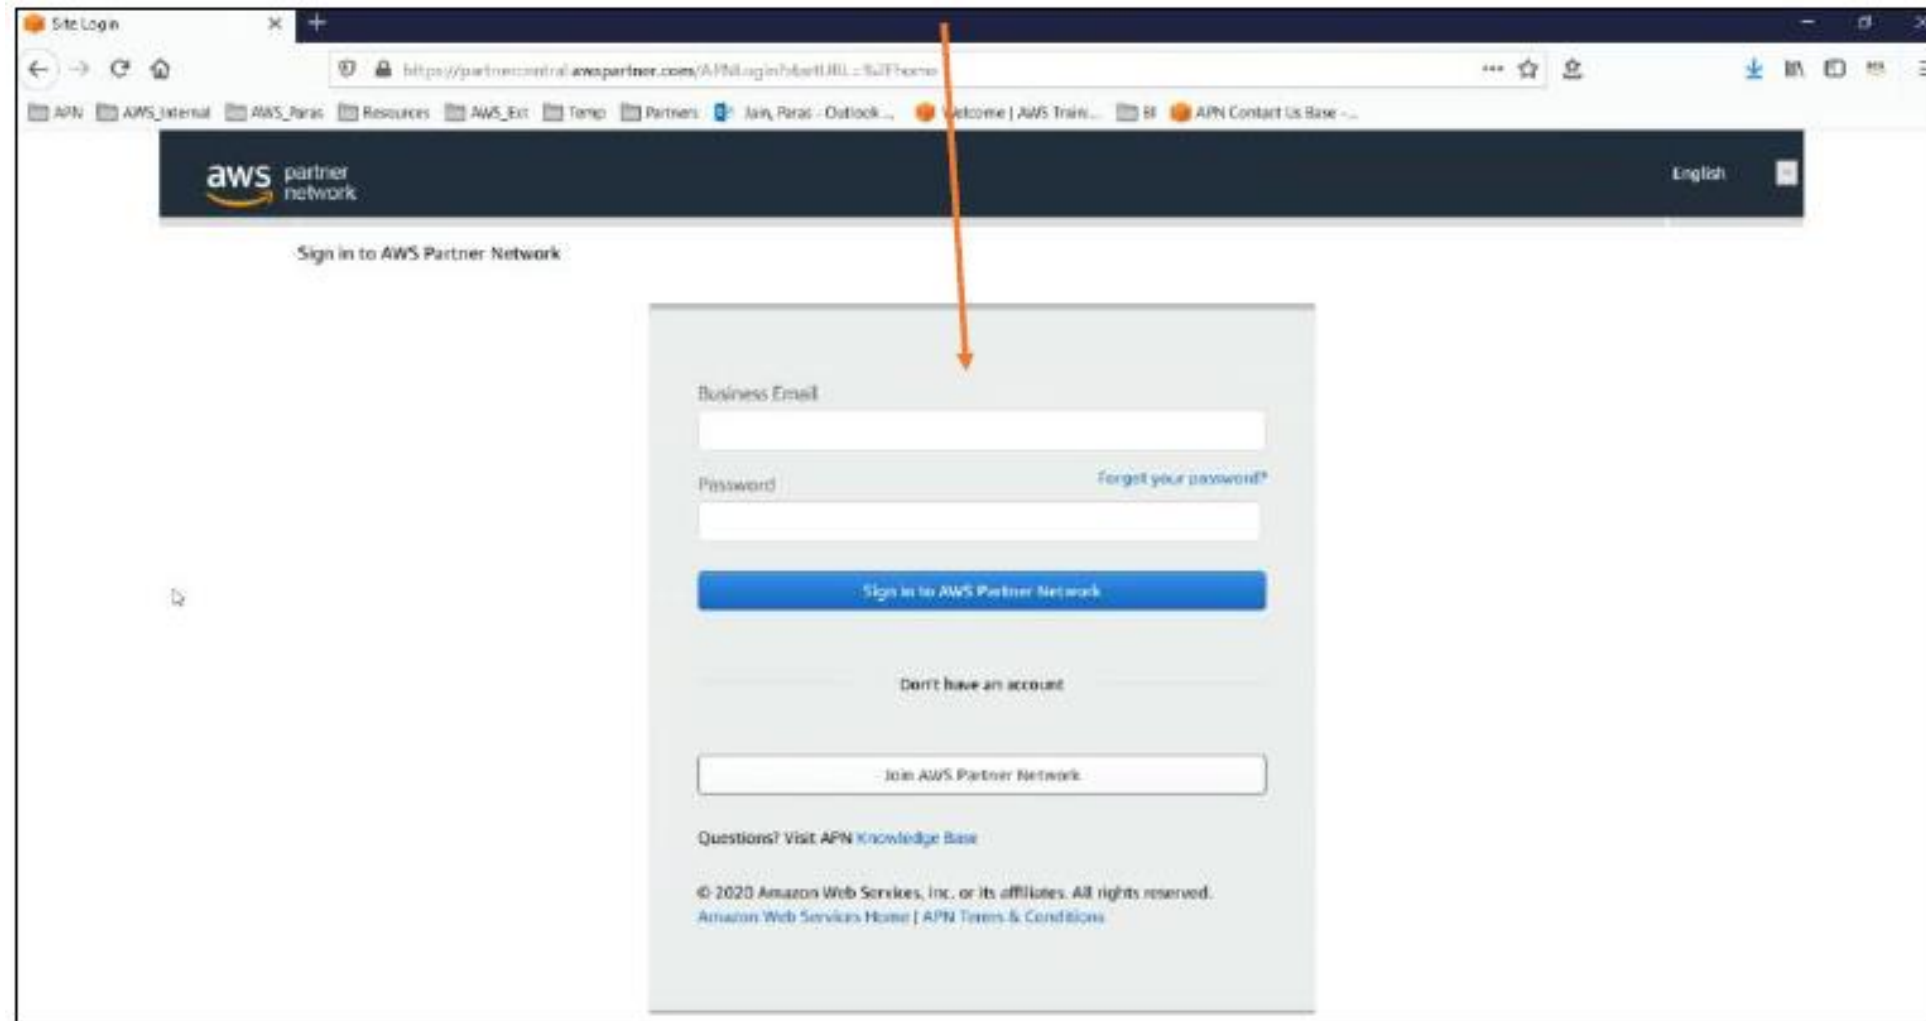

T&C data sharing consent mechanism SOP

March 2021

Hi there ! This document walks you through the steps to make your selection of Data Sharing consent mechanism. Please follow the steps listed below.

- Log in to <https://partnercentral.aws.partner.com>
- Sign in with your Partner Central login ID and Password
- If you do not have an APN account, please [self-register](#) (watch the *AWS Partner Network Registration Video* guide at the left hand side of the page). You will be prompted to set up your profile if it is your first time accessing the portal.

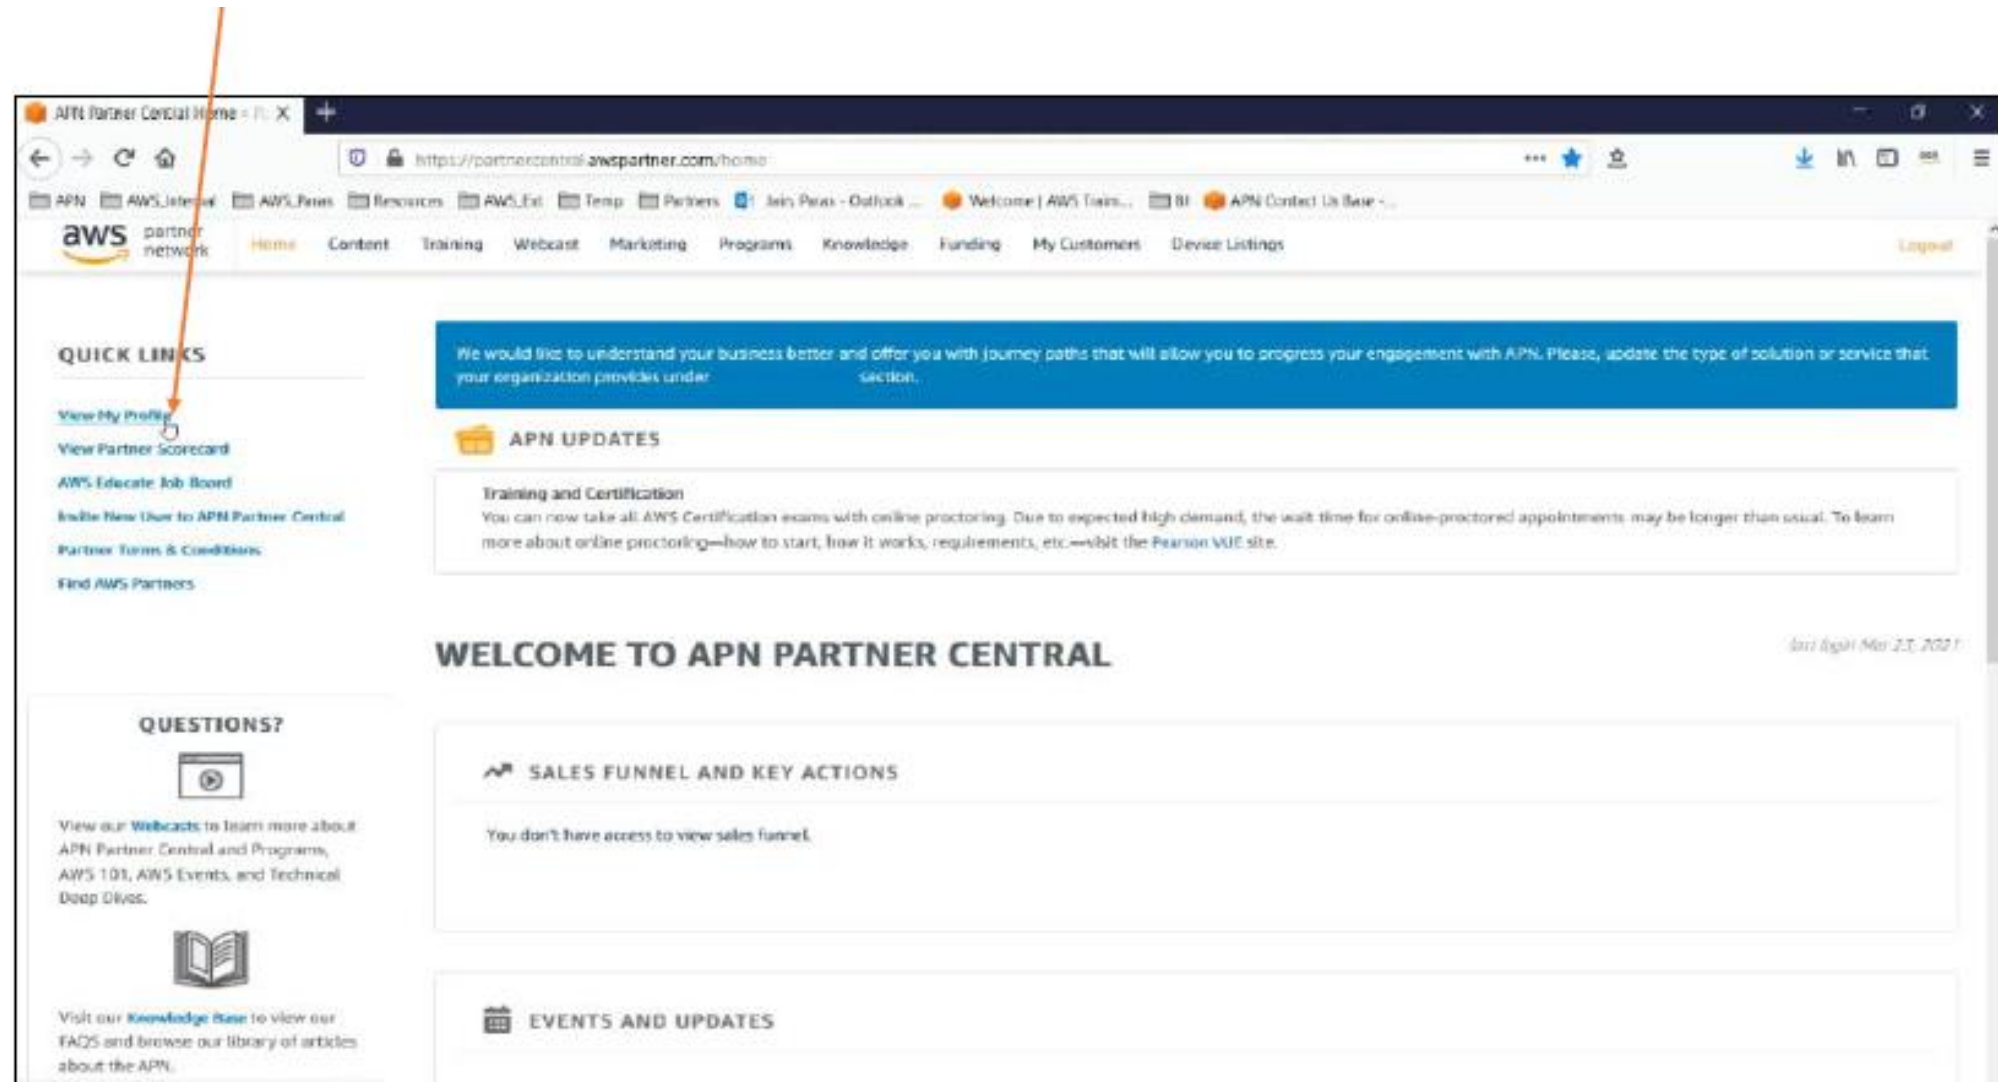

The screenshot displays the AWS Partner Network login interface within a web browser. The browser's address bar shows the URL <https://partnercentral.aws.partner.com/APN/login.html?JBL=5aTFHemo>. The page header includes the AWS Partner Network logo and a language selector set to 'English'. Below the header, the text 'Sign in to AWS Partner Network' is visible. The main content area features a sign-in form with the following elements:

- A 'Business Email' input field.
- A 'Password' input field with a 'Forgot your password?' link to its right.
- A blue 'Sign in to AWS Partner Network' button.
- A section for users without an account, containing a 'Join AWS Partner Network' button.
- A link to 'Questions? Visit APN Knowledge Base'.
- Footer text: '© 2020 Amazon Web Services, Inc. or its affiliates. All rights reserved. Amazon Web Services Home | APN Terms & Conditions'.

An orange arrow originates from the URL in the address bar and points directly to the 'Business Email' input field, indicating the first step in the login process.

Head toward the Quick Links section on the left.

- Click on 'View My Profile'

Click 'Edit'.

The screenshot shows the AWS Partner Central 'My Profile' page. An orange arrow points from the text 'Click 'Edit'.' to the 'Edit' button in the top right corner of the profile section.
