

Pre-requisite for External Certification Voucher

Step 1: Complete one AWS Internal certification

OR

Acquire atleast 50% score in Internal certification

Note:

- Prepare well while attempting Internal certification. This will help you if you are running out of time and not able to give second attempt to clear internal certification. Do not forget to take screen shot of the result
- Please take screen shot of the result of Internal certification exam and upload it while requesting for certification vouchers
- Prepare well while attempting Internal certification and secure at least 50% marks. This will help you if you are running out of time and not able to give second attempt to clear internal certification. Do not forget to take screen shot of the result
- In case you are not able to complete internal certification, there is a wait period of 15 days before you can take 2nd attempt
- Exception of 50% score is applicable only during AWS cert-a-thon event
- VPN connectivity is mandatory for requesting [external certification Voucher](#)

Step 2: Create Account on APN portal and update Consent Form as explained in the PDF

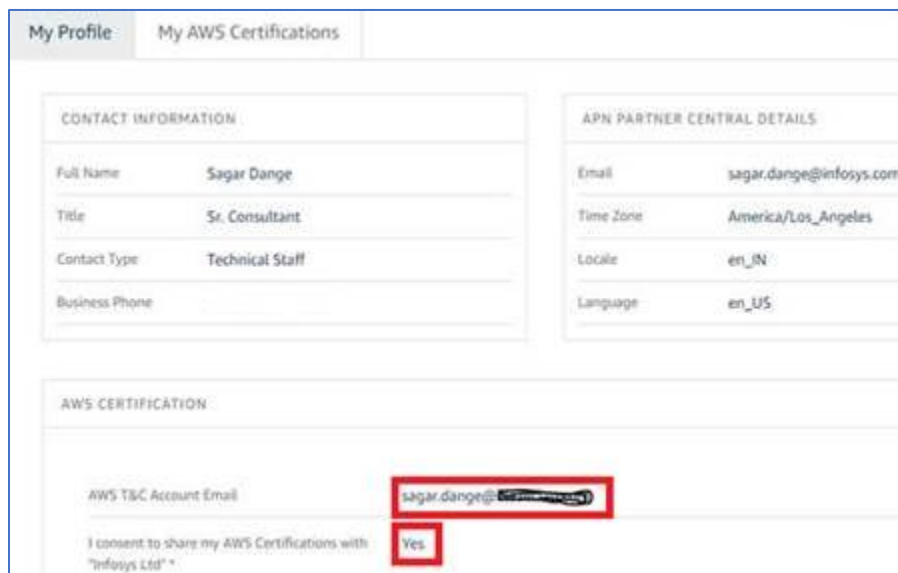

AWS Consent.pdf

Step 2.1: Login to APN Portal

Step 2.2: Edit Profile

Step 2.3: As mentioned in below screen shot (highlighted in red), provide email id used on Training & Certification portal(T&C) to take certification. On T&C portal, no change required.

Step 2.4: Select 'Yes' in I consent to share my AWS certifications with Infosys Ltd . (Refer below screen shot)

A screenshot of the APN portal profile page. The page has two tabs at the top: 'My Profile' and 'My AWS Certifications'. The 'My Profile' tab is active. The page is divided into two main sections: 'CONTACT INFORMATION' and 'APN PARTNER CENTRAL DETAILS'. The 'CONTACT INFORMATION' section contains fields for Full Name (Sagar Dange), Title (Sr. Consultant), Contact Type (Technical Staff), and Business Phone. The 'APN PARTNER CENTRAL DETAILS' section contains fields for Email (sagar.dange@infosys.com), Time Zone (America/Los_Angeles), Locale (en_IN), and Language (en_US). Below these sections is the 'AWS CERTIFICATION' section, which contains a field for 'AWS T&C Account Email' with the value 'sagar.dange@infosys.com' highlighted in red. Below this field is a checkbox labeled 'I consent to share my AWS Certifications with "Infosys Ltd" *' with the 'Yes' option selected, also highlighted in red.

Step 2.5: When T&C email id is mapped on APN portal, you will be able to see the completed certifications in My AWS Certifications tab

My Profile

My AWS Certifications

CONTACT INFORMATION

Full Name Sagar Dange

Title Sr. Consultant
